All the Senior Class Parents

and especially The Trio!

Attention: Special effects and water vapor fog are used in this production.

Please remember to turn off your mobile phone.
Please do not take photos or video during the performances.

WE CAN'T SERVE DESSERT, BUT WE CAN STILL DREAM!

And we can't go to Europe, but we can still see the world! The senior class trip this year will be a closed-cohort road trip tour of the Pacific coast of North America - from Boulder to Kino Bay, Mexico to Bellingham, Washington and back home!

How can you help fund the senior trip and also contribute to our Scholarship Fund?

Bid on an elegant dining experience for two at Black Cat Farm in one of their private dining huts. Dinner includes a lovely and delicious seasonal dessert (to tempt those of you missing the traditional desserts at tonight's show!).

The prize goes to the person who makes the largest gift. Here are three ways to donate and enter:

1. Get an envelope from Betsy Barricklow in the lobby during intermission. Fill it with a generous donation, write your name and phone number on the envelope, and return it to Betsy's basket before you leave the theatre.

Watching the stream at home or just want to support?

2. Go to <https://secure.qgiv.com/for/desandre> to use a credit card to enter your contribution.

3. Use the camera on your phone to scan the QR code below. It will take you to the same web page, where you can make your gift via credit card.

DONATIONS WILL BE TAKEN UNTIL SUNDAY (MARCH 21) AT MIDNIGHT.

We thank you for your generous donations!

The Class of 2021

ARE YOU INTERESTED

Tara is accepting applications for the 2021-2022 school year. We currently have open spaces in next fall's tenth and eleventh grades, and a wait-list in the ninth grade. To find out more or to apply to Tara, please visit www.tarahighschool.org.

Our commitment to in-person and experiential learning is reflected in these images, showing Tara students studying geology on the San Juan River this past September. On-campus, classes are distanced outside so we can work without masks when weather permits. Indoors, our students and teachers are grateful that classes can continue with personal attention and connection, albeit with masks. Our much anticipated off-campus intensive academic retreats have continued this year with Hamlet, Russian Literature and Chaucer coming alive in beautiful, secluded, private mountain locations, and somewhat unbelievably, the ninth, twelfth, eleventh and (as of last week!) tenth grades have all been able to perform and share their plays via live or recorded streams from the Nomad Playhouse. The fall Michaelmas Festival took place outside on campus with a small, distanced audience, and our beloved Christmas Candlelight Festival was shared with ten

private mountain locations, and somewhat unbelievably, the ninth, twelfth, eleventh and (as of last week!) tenth grades have all been able to perform and share their plays via live or recorded streams from the Nomad Playhouse. IN A TARA EDUCATION?

of the students' household members at a time in the acoustically live and intimate setting generously provided by Rinn United Methodist Church.

We continue to make possibility out of impossibility by working with Boulder County Public Health, to prioritize in-person learning and the ensemble arts with masks, physical distancing, health screens, regular testing, defined cohorts and much more. If you are interested in this extraordinary high school experience, please save the date for three upcoming events:

Performing Arts Workshop

Tuesday May 11, 2021 3:30 - 5:00 pm

Fall Curriculum Samplers

Tuesday, October 12, 2021 (evening event, time TBD)

Tuesday, October 19, 2021 (evening event, time TBD)
