Welcome to Beyond Conflict: Sustaining Economic Viability in the Working Wild

Hello Riley,

Thank you for registering and welcome to **Beyond Conflict** a virtual gathering held November 8-10 from 11 am - 5 pm Mountain time.

You will be joining participants of the [Conflict Reduction Consortium](#) and the [Conflict on Working lands Conservation Innovation Grant](#) co-hosted by Western Landowners Alliance and Heart of the Rockies Initiative. In joining this transformative gathering, we will together build a west-wide understanding of the current situation of wildlife-livestock conflict on working lands and help craft solutions to keep the West working and wild!

You may now start setting up meetings and interacting with your fellow attendees. Internet access is required to use this platform. If you are in a rural community without access to the internet, please let us know by November 1st. For this and other technical questions about the platform, please contact Matt Collins (matt@westernlandowners.org).

I look forward to seeing you all in November,

Alex Few
Working Wild Challenge Coordinator
