HEALTHY SNACKS

Snacks for people who care about food, farmers, health, community, and the planet!

“We have a big, crazy goal of a completely Organic Oregon and Organic World—that’s what gets us up in the morning!

We work directly with farmers to create and bring you tasty, nutritious treats. Close your eyes and taste the verdant earth!”

—Charlie & Julie

Wholesome & Powerful

As a family-owned, Oregon based company, our goal is to serve people and the planet by providing high quality, Organic foods to transform human health and the health of the environment.

- Made with the highest quality, Organic ingredients, nothing artificial, and packed with nutrient-dense, plant-based energy for your adventures
- We are committed to farm-direct sourcing, benefitting farmers and their communities
- Packed in resealable, grab-and-go bags in two sizes
